Nirvana From Fatality (A Factual Struggle Of A Life)

 Ashokkumar  10/22/2016  Conversion
 4 Comments

I hail from a middle class Hindu family. I was the only child to my parents after 14 years their marriage and named as Ashok Kumar. I lost my father at the age of nine. A little farming was the source of our family. My mother struggled a lot for the family and to bring me up after my father's demise. The family conditions taught me what the struggles are since my childhood. I grew up in the atmosphere of worshipping Hindu deities. I was responsive and unable to bear ...

My name is Anurag. I was born and brought up in a Brahmin family in the northern part of India. Hindu rituals and practices were prevalent in my family. Being born in a higher caste of the Hindu Society, I was taught to worship Hindu Gods and goddesses. I also became an idol worshiper. At the age of 21, I came to know Jesus Christ because I got a miraculous healing from a disease called Chronic depression. After the touch of the Holy spirit, I started growing in the Lord. ...

Exodus 33:19

 Bishopsol  7/20/2016  Conversion  3 Comments

The Only Hope In my room alone, I am asked to play this tune. It was an express catch on the net as I typed "Akon feat Big meech, Time is Money." The loud blast off my woofer elevated my begin into an elated status, but was unexpectedly interrupted by a bang on my door. This was the beginning of an end. I was brought up in an adorable background. My parents were ever supportive in all worthy ramifications of life. Very lucky indeed I grow up finding out we ...

My name is Anson. I was born to Malankara Syrian Catholic parents (who were basically Marthomites) and was brought up in a pious Christian atmosphere, attached to the Church, Priests and Nuns. I have all my childhood memories connected with the church and church activities. At the age of 10, I was taken into the Madbaha (the most Holy Place) to be trained as an Altar Boy. I was trained by ...

Strong Hindu RSS Believer Accepted Jesus

 sureshkrock  6/9/2016  Conversion  1
Comment

I went to church and heard message of pastor at the time. In my heart I started shivering, some power was working in me. After the meeting was over, all members went to someone's house for meals. I spoke to the pastor, Sir, I am repeatedly hearing one word that's written on a wall, John 14:6. Then he told me that in the future you will tell Jesus to every body. No I won't tell; that is a vague thing. I will never do that! Still even that voice is ...

The Cards

Woo, it's been a journey. I'm going to make this short. I was a strict celibate Christian between ages 17-22. Then all of a sudden I broke my celibacy but that is the least of what I did. It all started with me doing yoga (not blaming yoga just saying). Then I started

studying philosophies such as Daoism. Then I moved on to Wicca (I was secretly fascinated with the occult). I was already into goth style music at this point so Wicca, Witchcraft, Atheism, Satanism didn't scare me in the ...

My Conversion Story

 Holly  8/23/2015  Conversion  2
Comments

I was born and raised in the Episcopal Church. At age twelve, however, I began to question the tradition and values of the church, and began to hate being made to go there every week by my Mom. When I was fourteen, my best friend Emily took me to a nondenominational church service. It profoundly affected me and for a short while I was fine with God, but the incident was forgotten with the passage of time- But my hatred for the episcopal church continued to fester. At sixteen, I ...

Testimony Of My Conversion. God Is Good And Faithful

 kamisamanoko  7/10/2015  Conversion  3 Comments

Testimony; the LORD is good and faithful I had been raised "believing" in Jesus Christ, and I had been going to a catholic church until about three years ago when I decided to deepen my faith. However, as is the case, the truth about your religion only comes out once you decide to get committed to it. As I decided to know

more about Catholicism, someone said something about Easter being related to paganism, and the face and name Jesus actually being the number of the beast spoken of in ...

My Supernatural Jail Conversion

 Rami Khanfar  1/1/2015  Conversion 
4 Comments

Hi, my name is Rami Khanfar, of the Palestinians by flesh, but a blessed Israelite by the Spirit. My story has an angel and demons involved and is true from first hand experience and rationalization. But it has a back story and I wouldn't want you to miss out. I am 19 and when I was 17 I committed a robbery that got me a spot in County Jail. Now I grew up a rebellious teenager, the type of kid parents weren't fond of. So jail visits couldn't be counted ...

My Encounter With Terrorism

 Gods_son  5/10/2014  Conversion  No

What I am about to tell you is an experience I had with a specific group of gangs. I was a young thirteen year old, full of so much youth and emotion. I was a practicing Christian who had loved to reach peace and learn more about animals. Everything in my life went well..until my class exposed the genocide in Rwanda. I had reached a point where I had realized the suffering in this world, the cruel acts of injustice, greed, murder, theft, everything evil roamed everywhere and for

once ...
